

WHY BUY 100 WHEN YOU CAN BUY JUST 1?

Ordering business cards made out of metal will often require a larger investment on your part.

But it'll be well worth it when you see all the advantages that come along with using them.

HOW DOES IT WORK?

When meeting with a new potential client, simply present your card to them and have them open their camera app and scan. All information will be readily available on their mobile device.

With our business cards you will receive the following:

- 1 Aluminum Card | - 1 Customizable QR Code | - 1 Design for the Card

*Cards can hold more than 1 QR Code to facilitate different functions.

WHAT CAN I LINK MY CARD TO

ANYTHING!

The most common uses for these codes are:

- Contact Information (saves directly to phone)
- Brochures/Catalogues
- Websites
- Coupons/Promotions
- Resumes/CVs
- Contactless Menus
- Customer Surveys
- Giveaways

NFC Features can also be implemented. Pricing for NFC Cards vary by customers needs. Contact us for a quote!
