## Our King

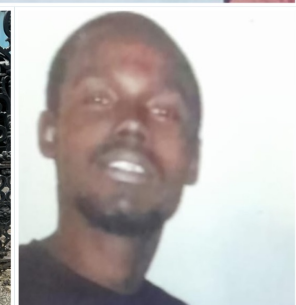

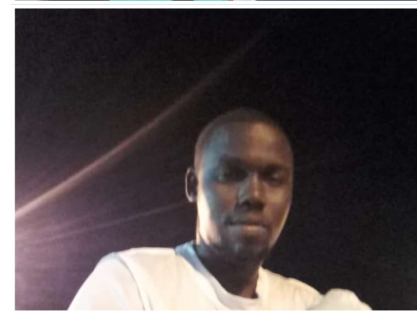

**King is gone but won't be forgotten  
He touched our lives in many ways,  
King without you our lives won't be the same.**

**Although we loved King dearly,  
We could not make him stay.  
The pain and hurt we feel inside won't go away.  
King we will never forget you,  
Your special smile, caring heart.  
And loving ways.**

**Through good and bad times,  
No matter what we have been through.  
King each special moments in our lives,  
Will always be filled with memories of you.**

**King it broke our hearts to lose you  
But you didn't go alone.  
For part of us went with you  
The day you went home.**
